ABSTRACT

This "toolkit" ring binder is designed to help teachers develop their professional practice in higher education and to enhance their instruction and assessment. A smaller bound version of this second edition is designed to be used by individual lecturers as their personal copy; it contains fewer tasks and activities. The chapters are: (1) "Learning--A Natural Human Process"; (2) "Designing Assessment and Feedback To Enhance Learning"; (3) "Refreshing Your Lecturing"; (4) "Making Small-Group Teaching Work"; (5) "Resource-Based Learning"; and (6) "Looking after Yourself." (Contains 82 references.) (SLD)
